

WELCOME TO THE SUMMER PROGRAM

Our Summer program is committed to providing welcoming and engaging summer day camp experiences for children of all ages. Our mission is to enable campers to discover hidden talents and strengths, to grow confidence and self-esteem, problem solving/conflict resolution and to develop lasting relationships with peers and adults. We are a camp for children of all backgrounds. Our program includes, but is not limited to: Arts and crafts, sports activities, in house visitors, nature activities, field trips, and much more! Each week will have a theme that will guide all of our special activities and field trips. Lunch and snacks will be provided daily. Your child will also receive a T-shirt to wear on field trip days. We are looking forward to another exciting summer!

OUR PHILOSOPHY

No one is more important to the world of tomorrow than the children of today. As adults, we can offer one great gift to the children in our lives, which will help build their character and demonstrate our love. Time is one of the most precious gifts to give a child. The Young Scholars Child Care Center is committed to providing each child with caring and nurturing individual attention.

By providing a healthy and safe environment, and the tools children need, each child can build a solid foundation that will carry them through a lifetime of growing and learning. Here at the Young Scholars Child Care Center, we emphasize the importance of giving each child the attention they need to grow by offering them a wide variety of child-orientated, growing experiences.
